

Institution: Rollins College

Rank: Endowed Professorship
Associate Director of China Center

Area: Chinese Studies

Location: Winter Park, Florida, USA

Start Date: Open

Deadline: Until Filled

Description:

Rollins College invites nominations and applications for an Endowed Chair in Chinese Studies and International Business and Associate Director of the Rollins China Center.

The ideal candidate for this position should be an internationally recognized scholar in Chinese Studies or a scholar in any business field with China as a primary source of research, who can bring visibility to the Rollins China Center.

Applicants must possess an earned doctorate degree and have a proven record of publications. We seek an outstanding scholar who embraces excellence in research, teaching, and service to the community.

The Endowed Chair position is expected to play a leadership role in developing and supporting the Rollins China Center engaging the global academic and local business communities in Chinese business.

For consideration, applicants should submit a letter of interest, a curriculum vitae listing publications and teaching experience, and names of three references. The position will remain open until filled, but screening of applicants will begin immediately.
