

COLLEGE OF BUSINESS ADMINISTRATION

The Management and International Business Department at Florida International University's College of Business Administration invites applicants for the following positions:

- ❖ Assistant or Associate Professor in International Business

Required qualifications include: A Ph.D. in Business Administration or related field and the ability to teach undergraduate, masters, doctoral and executive education courses. Applicants should have a documented ability to publish in premier journals.

Florida International University, a member of the State University System of Florida, is Miami's only public, urban research university. It is a Carnegie I Research University with solid support from both the government and the business community, and serves 27,820 undergraduate and 6,351 graduate students reflective of the diverse community of South Florida. Florida International University is an Equal Access/Equal Opportunity Employer.

The College of Business and particularly the International Business Programs at FIU are among the top 25 in the United States. The Department of Management and International Business houses two nationally recognized centers, namely the Center for International Business Education and Research (CIBER) and Center for Global Entrepreneurship. Typical FIU salaries fall in the 75th percentile of AACSB pay for faculty in an Accredited Public University. Extensive additional compensation is available through international executive programs.

Applicants should submit their packages to: Dr. Sumit K. Kundu, Chair – Search Committee, Ingersoll-Rand Professor in International Business, Department of Management and International Business, College of Business Administration, Florida International University, University Park, RB 345B, Miami, FL 33199, USA. Dr. Kundu will be at the AIB Conference in Beijing, and can be reached via e-mail at kundus@fiu.edu.
