

The **heilbronn business school** is rapidly expanding. We are seeking highly motivated individuals for:

Faculty positions in Management

This is an exciting and challenging opportunity for someone able to build on excellence through innovative thinking and effective leadership. The ideal candidate will have excellent leadership skills and an internationally recognised track record in research and teaching in the area of Management. Preferred areas of specialisation with an international focus are:

- Operations, Production Management and Innovation
- Organizational Behaviour, Human Resources Management and Leadership
- Finance and Accounting
- Strategic Management and Management of Organisations

This role will offer the successful candidate the opportunity to shape and contribute to the development of the heilbronn business school. Being able to balance multiple tasks and priorities is critically important. These posts offer also substantial scope for developing internationally excellent research and contributing to a wide range of post-graduate teaching programmes. Professional experience and a good command of German are a plus. We will offer an attractive remuneration package.

The heilbronn business school is an internationally oriented university specialising in management education. The school is officially recognised by the government of Baden-Württemberg as a university of applied sciences and received institutional accreditation from the Wissenschaftsrat, the advisory body to the German Federal Government and the state governments for higher education institutions and the research sector.

The school is funded by Lidl-Kaufland Group with a mission led by Excellence, Internationality, Efficiency and the integration of Learning, Knowledge and Practice. Its campus is situated in Heilbronn, a medium-sized city in the south-western part of Germany. The city is surrounded by beautiful vineyards and has close proximity to many historical cities. The heilbronn business school focuses on post-graduate and executive education and offers the following degrees: MBA, LL.M. and MSc. The language of instruction is English.

Applicants are encouraged to visit the website of heilbronn business school (www.heilbronn-business-school.de) to find out more about its work and activities.

The positions will remain open until filled. Professor Harald Dolles will be available to meet with applicants during the Indianapolis AIB conference. Interested faculty should e-mail a letter of interest, their resume and references to:
