

College of Business Administration
Texas A&M International University, Laredo, Texas

Job Vacancy Number 07015

Chair, Division of International Business and Technology Studies

This is one of the two divisions within the College of Business Administration at Texas A&M International University. The Division has been recently created through a reorganization of the College. It consists of 16 full-time faculty members in the areas of MIS, Management, Decision Science, and International Business.

Texas A&M International University, located in Laredo, Texas, is a member of the Texas A&M University System. It is the first new university to be constructed in the State of Texas in more than 20 years, and the first campus in the nation to be completed in the 21st Century. The University has a newly created Ph.D. Program in International Business Administration. In addition, the University offers Bachelors and Masters degrees in various business disciplines.

Salary and Rank: Commensurate with qualifications. This 12-month appointment will be at the rank of Associate or Full Professor.

Required Qualifications: Applicants must have a Doctoral degree in either MIS, Management, or a closely related field from an AACSB-accredited university; and a teaching, research and publication record warranting appointment as an Associate/Full professor.

Preferred Qualifications: Experience in academic administration.

Starting Date: Fall 2007.

Application Closing Date: Until adequate applicant pool is acquired

Required applicant documents that must be attached with application: Resume, cover letter

Application Procedure

Electronic applications by email are strongly preferred, with documents added as attachments in Word or PDF format.

Please send a letter of application with curriculum vitae; a copy of the transcripts for the highest degree received (official transcripts required at time of appointment); description of management philosophy; description of research projects; and names and contact information of three professional references to:
