

**Faculty of Business & Information Technology**  
**Strategic Management**  
**Competition number UOIT08-103**

We invite you to consider joining UOIT's globally trained faculty as we further our reputation as a leading-edge learning environment and delivering innovative research. UOIT has a 21<sup>st</sup>-century vision of teaching and learning excellence. Our educational philosophy is to challenge, encourage innovation, and connect our faculty, students and the community, while respecting the best practice traditions of Canada's established universities.

**The Faculty of Business & Information Technology** invites applications for a tenure-stream or tenured position in Strategic Management at any rank; effective July 1, 2010. This position is subject to budgetary approval. Applicants with research expertise in Strategic Management are being sought, and should possess a PhD in a related area, a strong academic background, and a record of excellence in research. The successful candidate will be expected to conduct active and innovative research programs and to teach at the undergraduate and postgraduate level. In keeping with a technology-enhanced learning environment utilizing laptop computers and wireless connectivity, UOIT seeks faculty who strive to explore and develop new pedagogies.

The Faculty offers honours undergraduate degrees in Commerce (with major/minor in accounting, e-commerce, finance, and marketing as well as a concentration in human resource management) and Information Technology (with specializations in game development and entrepreneurship, networking and IT security). We also offer a Master of IT Security degree, the first of its kind in Canada. Information about the Faculty of Business and IT can be found at: <http://www.businessandit.uoit.ca/>

Dr. Suhaib Riaz ([Suhaib.Riaz@uoit.ca](mailto:Suhaib.Riaz@uoit.ca)) will be attending the Academy of International Business conference in San Diego, California on June 27/09 to June 30/09 and will conduct preliminary meetings with interested candidates.

Applications will be accepted until November 1, 2009 or until a suitable candidate is found. Applicants should submit in electronic format, with their name and the above competition number in the subject line, a covering letter, a curriculum vitae including a list of publications, a statement of teaching interests, an outline of their present research program and a brief future research plan, and a list of at least 3 referees to [careers@uoit.ca](mailto:careers@uoit.ca). Candidates for the position of full Professor are required to provide a list of four referees.

UOIT is an equal opportunity employer and welcomes applications from qualified women and men, including members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
