

PROFESSORS AND ASSOCIATE PROFESSORS
School of Business
Monash University Sunway campus (Malaysia)

The University

Monash University has a bold vision – to deliver significant improvements to the human condition. Distinguished by its international perspective, Monash takes pride in its commitment to innovative research and high quality teaching and learning.

The Opportunity

Monash is seeking to appoint outstanding academics in the School of Business at its Sunway campus to provide leadership in teaching and research in each of the following disciplines:

- Business Law and Taxation
- Econometrics and Business Statistics
- Economics
- Accounting and Finance
- Management
- Marketing

Each appointee will exercise a major leadership role in his or her respective discipline in research and innovation, the development and implementation of teaching programs at both the undergraduate and postgraduate levels, and staff and academic development within the School of Business.

Criteria for appointment include: a research doctorate in a relevant discipline; an international reputation for outstanding research; a proven record of obtaining external grants for research and of successful supervision of postgraduate research students; proven excellence in teaching; and highly developed skills of leadership, networking and management.

Appointees will report to the Head, School of Business. Professors and associate professors at Sunway campus may be required to serve for a period as head of school or in another designated position of leadership.

Duration

The appointments as professor or associate professor will normally be for a fixed term of five years. Subject to performance and other criteria, a further term as professor or associate professor may be negotiable. Successful applicant should be able to start by February 2010.

The Benefits

Appointment will be made at the level appropriate to the successful candidate's qualifications and experience. The appointments will be under Malaysian benefits, terms and conditions. Competitive remuneration packages will be negotiable for outstanding appointees. Relocation travel and removal allowances are available.
