

School of Management New Posts

Following a period of growth and continuing success, the School of Management invites applications for 2 new academic posts. In line with its strategic plans, the School is investing in key areas to enhance its international reputation as a research intensive and practice driven world class institution.

The School was ranked 5th in the UK for business and management studies in the 2008 RAE results. It provides a highly successful portfolio of programmes including; undergraduate, masters and PhD for students with different levels of education and experience. Appointees will be expected to contribute to any of these programmes.

Chair in Finance

Candidates for the Chair should have an excellent academic track record in finance and financial econometrics, and experience in teaching up to the postgraduate level. The successful candidate will possess the leadership qualities required to develop the School's research output in finance, and to contribute to the delivery and development of finance courses across the School's teaching range of undergraduate and postgraduate degrees.

Chair in Innovation and Technology Management

Applications are encouraged from scholars with an outstanding research profile in any area of Innovation and/or Technology Management. The successful candidate will be expected to lead scholarly development in this area and must have a history of publication in top-tier international journals and the potential to attract significant levels of external funding

Candidates are expected to start by January 2010

The closing date for application is 25th June 2009

For informal enquiries please contact the Dean's office, on tel: 01225 383769 or email: R.Elliott@bath.ac.uk.

To apply, please quote the relevant reference number and request an application form and job description from the Human Resources Department, University of Bath, Claverton Down, Bath BA2 7AY (email: jobs@bath.ac.uk).
