Position:
- Post-Doctoral Scholar, Collaboratory for Research on Global Projects

Requirements:
- Excellent English language academic writing skills;
- Demonstrated ability to publish in ‘A’ journals (AMJ, SMJ, JIBS, etc.);
- Familiarity with the IB, institutional theory, org theory, and strategy literatures;

Details:
- The post-doc position is for 12 months, subject to extension based on strong performance;
- We are looking for an individual to take a lead role in publishing articles related to our ongoing and past research in top scholarly journals --- the articles are now in draft form, but they need further polishing and refinement;
- Other co-authors include Raymond Levitt and W.Richard Scott;
- We expect one paper to be completed per three month period;
- In the fourth three month period, we expect that you will play a lead administrative role in coordinating our annual Roundtable on Emerging Markets' Infrastructure, to be held either in India or China;

Starting Date:
- In the Sept. 1st to Dec. 30th timeframe

Salary Range:
- $65,000 (+/-)

Contact Person/Details:
- Ryan J. Orr, rjorr@stanford.edu, (650)575-9365

Representative at AIB Meeting:
- Ryan J. Orr
