Abdullah Gul University, Department of Business Administration: Kayseri, Turkey

Multiple Faculty Positions

Abdullah Gul University (AGU), Department of Business Administration invites applications for multiple faculty positions. Candidates must possess a Ph.D. degree in Business Management, Marketing, Accounting, Finance, Production and Operations Management, Human Resource Management, Entrepreneurship, Strategic Management or a closely related discipline.

Candidates will be considered for positions at all academic ranks (Assistant, Associate or Full Professor). International candidates are strongly encouraged to apply. Review of applications will start immediately and continue until all positions are filled.

Successful candidates will be expected to initiate and maintain externally funded research programs, be committed to teaching excellence and student mentorship at both undergraduate and graduate levels, and be involved in service to the university and profession. At the Assistant Professor level, applicants are expected to demonstrate exceptional academic credentials and promise for a distinctive career in research. At higher ranks, evident track record of research accomplishments is expected.

AGU is a recently established state university in Kayseri, Turkey with a strong foundation support that significantly supplements the state-provided resources. The university aspires to stimulate innovation and creativity in addressing global problems and to provide added value to society through focused cooperation projects that involve students, faculty, and for- and non-profit organizations. To this end, the university places great emphasis on interdisciplinary research, university-industry collaboration, and innovative teaching. Having a strong community of international faculty and students with a rich multicultural atmosphere is an integral part of University's vision. AGU admitted its first students in the Fall semester of the 2013-2014 academic year.

The Department of Business Administration operates within the Faculty of Managerial Sciences. It began its education life with an undergraduate degree program in Business Administration only, and will grow to offer MBA, Executive MBA, and Masters in Finance programs, as well as a Ph.D. degree program in Operations Management, Marketing, Accounting, Organization Studies, and Finance.

The benefits of working at AGU also include eligibility for state pension and other advantages that accrue from being an employee of the state. Rank and salary will be commensurate with qualifications and experience. The university offers internationally competitive salaries and benefit
packages including furnished housing, thanks to the support of the AGU Foundation.

AGU is located in Kayseri, an education center with four universities and an industrialized city in central Turkey with a population of about 1.3 million. In addition to its rapidly growing vibrant economy, the city is a transportation hub offering easy access to centers in Europe and Turkey. In addition to its renowned culinary specialties, and close proximity to Cappadocia, skiing, trekking and alpinism in Mt. Erciyes, and historical points of interest in and around the city makes Kayseri a center of attraction for many domestic and international visitors.
