I. Introduction

Academy of International Business will be visiting Japan in 2011 for the first time in its 53 year history. We will be meeting at the WINC Aichi (Aichi Industry & Labor Center) on June 25-June 28, 2011.

Established in 1959, today AIB has about 3200 members in 76 different countries around the world. Members are primarily scholars from the leading global academic institutions in the world, specializing in topics of international business/trade, with a small number of consultants, researchers and NGO representatives making up the rest of our membership. AIB travels around the world for its annual conference to cater to its worldwide membership. Our 2008 meeting held in Milan, Italy attracted 1201 participants (list of 2008 delegates). The 2009 meeting was in San Diego, California, USA where 909 participants (list of 2009 delegates) came together. In 2010, visiting Latin America for the first time, our conference in Rio, Brazil had 895 participants (list of 2010 delegates).

We have had a record submission period for the 2011 Call for Papers, surpassing past years by over 40 percent in submissions. The AIB member’s interest in Japan has been exceptional, and the recent unfortunate events in Japan has done very little to dampen this enthusiasm. As a result, we believe we are headed for another large participant conference this year.

II. Exhibitor Profile

Typical exhibitors at the AIB Meeting have, in the past, included textbook publishers, trade book publishers, case-study publishers, academic journal publishers, educational technology providers, database and research solution providers, software companies, educational institutions and educational service providers. We typically have 15-25 exhibitors at our conferences.

III. Exhibit Location

The exhibits will be on the 6th Floor Exhibition Hall (Room 601) of the WINC Aichi Convention Center. Due to the limited space we have available this year, the 2011 Exhibits will be limited to 20 booths only, allocated on a first-come-first-serve basis. All sessions of the conference will also be held at the WINC Aichi facilities. AIB encourages exhibit traffic by offering all coffee breaks and lunches, and some of the receptions at the same location as the exhibits. In addition, a PC Corner as well as conference registration for the last two days will also be in the exhibit hall.
IV. Exhibit Hours

The exhibits at the 2011 Annual Meeting will be open during the following days and times:

- Sunday, June 26, 2011: 12:45pm - 5:30PM (opens with lunch)
- Monday, June 27, 2011: 9:00AM - 5:30PM
- Tuesday, June 28, 2011: 9:00AM - 4:00PM

Exhibit Setup Hours: Sunday, June 26, 2011 between 11:00am and 12:45pm.
Exhibit Teardown: Tuesday, June 28, 2011 between 4:00pm-6:00pm.

V. Exhibit Setup and Costs

The US$900 regular exhibitor fee includes the following:

- A 2m x 3m walled booth: (double booth possible on demand)
- A skirted display table
- 2 chairs
- An Identification Sign with Company Name on top of the booth
- Internet and power connection for the booth
- Listing as an exhibitor in the Conference Program
- Exhibitor Pass for two (2) representatives from your company, allowing free access to all conference activities and social events without paying any additional fees

Please note that an Exhibitor Pass is required for access to the facilities. Any additional representatives should be specified in the form to make sure they are admitted to the building. Please note that there is a charge of US$150 for each additional person beyond the first two representatives.

It is also possible to reserve a double-booth by paying the equivalent fee of two exhibit booths (additional exhibitor passes will be included as well).

VI. Additional Exhibit Options

AIB also offers an option for unmanned booths. You can request to have a dedicated exhibit booth that will be staffed by AIB. This option is limited to exhibiting up to 12 titles, and any additional brochures and order forms you may have. Our volunteers will be happy to collect any order forms filled out and mail them back to you (although in our experience AIB staffed booths tend not to receive as many orders as people do not feel comfortable providing payment information to AIB volunteers).

VII. Logistical Details

There will be additional items and services allowing you to upgrade your booth through our Exhibit Services Contractor. We will also have secure storage facilities to keep all packages received in advance until the exhibit setup date. Once we have received your order form and payment, we will have an Exhibitor Services Kit made available to you.
VIII. Advertising Options
In addition to exhibiting, there are also opportunities for conference program advertising and promotional inserts to showcase your company and its product to our members.

Advertising: We accept quarter-page, half-page, and full-page ads for our conference program, printed in one-color. Please contact us as soon as possible if you intend to advertise in the conference program, so that we can reserve space for you in the program. The deadline for the ad copy is May 10, 2011.

Specifications: Only one-color ads will be accepted. We prefer press-quality PDF files. We can also accept Adobe InDesign and Quark Xpress (4.0) files with the necessary links and fonts. TIFF and EPS files may also be sent with fonts set to outlines. If sending native files, please compress the package using a common compression package. The dimensions for the ads are as follows:
- Full page: 7.5 in (w) x 10 in (h) (19 cm x 25.5 cm)
- Half page: 7.5 in (w) x 4.875 in (h) (19 cm x 12.25 cm)
- Quarter page: 3.75 in (w) x 4.875 in (h) (9.5 cm x 12.25 cm)

Inserts: You can also choose to have your own brochures or leaflets printed and mailed to us to have them inserted in the conference bags. We have no strict format or page count restrictions for the inserts, however keep in mind that delegates do not enjoy carrying around (or taking back home) heavy items and tend to throw away anything they deem too big or heavy. Past experience shows that anything over 7-8 letter-size pages is usually too much, and 3-4 letter-size pages is probably the ideal length. Of course, single page flyers are always welcome, and perhaps the most effective. Please contact AIB Secretariat for count and shipping instructions.
