Of all the cities of ancient Turkey, Ephesus is the best preserved and the most often visited. Dedicated to the virgin goddess of the chase, the city is the site of the Temple of Diana (Artemis), one of the Seven Wonders of the World, and The Church of Saint John, where the disciple spoke. During Christian times, it was one of the Seven Churches of Revelations, and was where Paul wrote the Philippians and perhaps other letters now in the New Testament. In the morning, walk through the church where St. John spoke, and view the Temple of Artemis (Diana), one of the Seven Wonders of the Ancient World. In the afternoon, visit the classic city of Ephesus and the nearby Selcuk Museum containing marvelous artifacts found in the nearby excavations.

- CAPPADOCIA - guaranteed departure, min. 2 people required

Day 1
Morning flight from Istanbul airport to Kayseri. (approx. 45min.)
 Millions of years ago, a volcano near Cappadocia spewed out molten lava and dust. Since then, wind and weather have reshaped the soft rock, leaving cones and “fairy chimneys.” Here, early Christians carved out churches, monasteries, and huge underground cities where they could hide from persecutors. Explore the rock-cut churches and monasteries of Goreme Valley, and Zelve, a natural amphitheater at the junction of three canyons where the cliff faces are riddled with openings to houses and churches, many with frescoes still visible.

Day 2
After breakfast at hotel walking tour to the top of the natural rock citadel of Uchisar, continue to the underground city of Kaymakli and walk through a maze of tunnels and rooms at least eight stories deep. Evening flight from Kayseri airport to Istanbul.
